## 2025 Content Creation Analytics

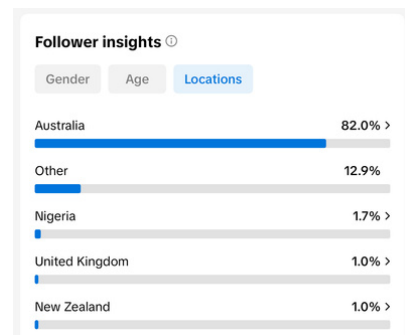

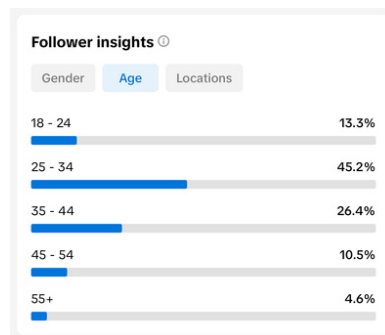

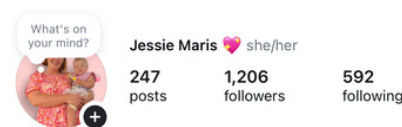

My analytics are popping! Lots of likes, comments, and shares mean my audience is loving what I do —let's keep it rolling!

### My Followers

#### TikTok

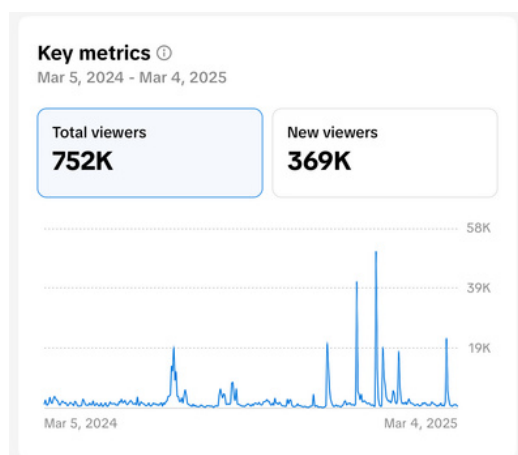

#### Instagram

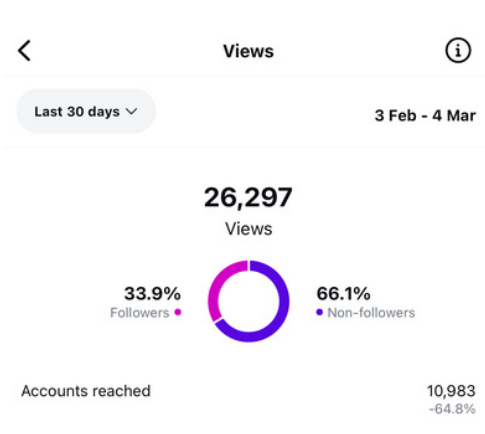

My followers are **engaged, community-focused, and family-oriented**, with a strong majority being **women** (73%) **aged 25-44**. Most are based in **Ipswich, QLD**, and across **Australia (82%)**. They love discovering **family-friendly activities, local events**, and **parenting insights**, making them the perfect audience for brands looking to connect with **modern, active parents**.

### Key Metrics

#### TikTok Views (365 days)

#### Instagram Views (30 days)

Over the past year, my **TikTok** has been thriving with a whopping **1.3M post views, 35K likes, and 8,140 shares**, mostly thanks to all the love from the **For You Page** and **Search**. As for **Instagram**, even though I've had it for a shorter time, it's been growing steadily with **26.3K views**, and **1.2K followers**! While TikTok's been my ride-or-die for longer, both platforms are **buzzing with energy**, and I'm using all these insights to keep things fresh and exciting for my amazing followers.

My Reels stand out because they're creative, fun, and engaging. I use eye-catching hooks, smooth transitions, and my signature storytelling to keep things fresh and relatable. With trending music, interaction prompts, and my fun, pink, girly brand, each Reel is designed to connect with my audience in an exciting and authentic way!

When you hire me, you're not just working with a content creator—you're supporting an SE QLD artist passionate about sharing local stories and connecting with the community. Every project reflects my love for my community, and I bring that energy and creativity into everything I do!
